CIB PC Commendation 2014

The CIB Programme Committee wants to recognize their contributions in 2014 by awarding the following Commission Coordinators with the 2014 PC Commendation.

Three Joint Coordinators of the Commission:

- W115 - Construction Materials Stewardship
 - Prof Dr Abdol R Chini, University of Florida, USA
 - Prof Dr Frank Schultmann, Karlsruhe Institute of Technology, Germany
 - Assoc Prof John B Storey, Victoria University of Wellington, New Zealand

In 2014 this commission published the fifth of a series of international State of the art reports with a content that has been consistently relevant and with a quality that has been consistently high,

- the first two were published in 2000 and 2005 under the responsibility the predecessor of W115 Task Group TG39 - Deconstruction, and focussed on Deconstruction and Material Reuse [here](#) and [here](#).
- the last three were published in 2008, 2011 and 2014 and focussed on Materials Stewardship see [here](#), [here](#) and [here](#).

All above publications can be downloaded for free, either from ICONDA@CIBlibrary and the CIB website.
